

OVVO RN12

Releasable Face Boring Connector

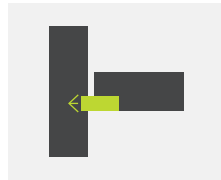

A push-in connector that fits in to a standard 25mm drill hole. All processing can be achieved on a single panel face. The OVVO RN12 connector set allows for snap or slide to connect and slide to release. It can be aligned to the inside or outside face of panel to give an invisible, concealed connector appearance.

Available in box of 200 and 1000

For Joints:

90° Degree Joint

T Joint

Required Tools:

25mm Drill Bit

V1230 Cutter
