

# OVVO V-0930R

## Releasable Miling Connector

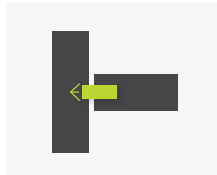

The OVVO V-0930R Releasable connector is smarter, stronger and smaller, which works best in board thickness of 12 mm and above and significantly extends the range of materials in which OVVO can be used. The clever design allows for snap or slide to connect and slide to release.

Available in box of 200 and 1000
